

PSLE

Students joined one of the four clubs. The bar graph represents the number of students in the clubs. The bar for Art Club is not shown. There were twice as many students in the Art Club as in the Drama Club. The information is also represented by a pie chart. The names of the clubs are represented by the letters W, X, Y and Z.

Name of club	Drama Club	Chess Club	Art Club	Bowling Club
Label				

- (a) Identify the letters with their respective clubs. Give your answers in the following format. (Eg W, X, Y, Z)
- (b) The number of students in the Drama Club is 90. How many students were there altogether?

4 m
